

Privacy Policy

Introduction

Protecting your private information is our priority at Cygnus-AI.

This Statement of Privacy applies to www.cygnus-ai.com and Cygnus-AI Inc. (“the Company”) and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Cygnus-AI Inc. include www.cygnus-ai.com.

The current website for Cygnus-AI is a simple information page related to the company. We do not collect internet “cookies” or any personally identifiable information (PII), personal health information (PHI), financial information or other sensitive content at this time. As such, our Privacy Policy is designed to reflect a basic web information site.

Please contact info@cygnus-ai.com for any questions or needed clarification.

By using the Cygnus-AI Inc. website, you consent to the data practices described in this statement.

Collection of your Personal Information

We do not collect any PII or PHI about you unless you voluntarily disclose it to the Company. Any PII, PHI, financial or other sensitive protected information that you may voluntarily disclose to the Company will not be retained by the Company beyond a reasonable period to allow removal. Exceptions to this include contact information and areas of expressed interest for future follow up.

Sharing Information with Third Parties

Cygnus-AI Inc. does not disclose, sell, rent or lease its customer lists or other information to third parties.

Tracking User Behavior

Cygnus-AI Inc. may keep track of the websites and pages our users in aggregate visit within Cygnus-AI Inc., in order to determine what Cygnus-AI Inc. services are the most popular..

Automatically Collected Information

Information about your computer hardware and software may be automatically collected by Cygnus-AI Inc. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Cygnus-AI Inc. website.

Use of Cookies

The Cygnus-AI Inc. website does not currently use “cookies”. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you and can only be read by a web server in the domain that issued the cookie to you. Any use of “cookies” in the future will be accompanied by a revision of this Privacy Policy.

Links

This website contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects PII, PHI, “cookies”, financial or other sensitive or protected data.

Security of your Personal Information

Any personal information, other than contact information and areas of expressed interest for follow up, that you voluntarily disclose to Cygnus-AI Inc. will be secured your from unauthorized access, use, or disclosure until the Company can delete it from our system as a part of routine data maintenance. Cygnus-AI Inc. uses the following methods for the purpose of data security:

- SSL Protocol

We strive to take appropriate security measures to protect against unauthorized access to or alteration of any information relayed or disclosed to the Company. Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, you acknowledge that: (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) security, integrity, and privacy of any and all information and data exchanged between you and us through this Site cannot be guaranteed.

Right to Deletion

Subject to certain exceptions set out below, on receipt of a verifiable request from you, we will:

- Delete your personal information from our records; and
- Direct any service providers to delete your personal information from their records.

Please note that we may not be able to comply with requests to delete your personal information if it is necessary to:

- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity; or prosecute those responsible for that activity;
- Debug to identify and repair errors that impair existing intended functionality;
- Exercise free speech, ensure the right of another consumer to exercise his or her right of free speech, or exercise another right provided for by law;
- Comply with the California Electronic Communications Privacy Act;
- Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest that adheres to all other applicable ethics and privacy laws, when our deletion of the information is likely to render impossible or seriously impair the achievement of such research, provided we have obtained your informed consent;
- Enable solely internal uses that are reasonably aligned with your expectations based on your relationship with us;
- Comply with an existing legal obligation; or

- Otherwise use your personal information, internally, in a lawful manner that is compatible with the context in which you provided the information.

Children Under Thirteen

Cygnus-AI Inc. does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

Changes to this Statement

Cygnus-AI Inc. reserves the right to change this Privacy Policy from time to time. We will notify you about significant changes in the way we treat personal information by sending a notice to the primary email address specified in your account, by placing a prominent notice on our site, and/or by updating any privacy information on this page. Your continued use of the Site and/or Services available through this Site after such modifications will constitute your: (a) acknowledgment of the modified Privacy Policy; and (b) agreement to abide and be bound by that Policy.
